

STATE OF DELAWARE PRE-RETIREMENT EDUCATION

HALF DAY WORKSHOPS

Sponsored by the State of Delaware Pension Office
&
Social Security Administration

The following half-day workshops are being held to provide information regarding Delaware State Employees' Pension Plan benefits and Social Security benefits. There is no cost to attend these workshops. Individual retirement estimates will not be distributed at these workshops, but will be available upon request. Participants will learn how to prepare their own estimated benefit using the Pension Office website. The representative from the Social Security Administration will also advise you on the procedures for requesting a Social Security estimate.
